Bringing Talent to Life

VOL 4 – December 2023
High School

Dear CBS families,

We are now more than 3 months into the school year and quickly approaching the end of the first semester with most students completing the work brilliantly! This year, in particular, the pace of school has moved quickly. Our teachers are committed to making sure students are well prepared to do their best and are mindful of other expectations and deadlines students have.

Parents can support their children by helping them stay organized and checking in regularly on Renweb to see if they are on top of their schoolwork, yet also maintaining reasonable life balance. When in doubt or you have concerns, talk to your son/daughter and communicate with teachers as necessary.

As the weather changes, it is important to encourage your children to wash their hands regularly, eat well, get regular exercise, and go to bed early enough to get the necessary sleep they need. Good nutrition, exercise, and rest will boost their immune system. We want our students to be balanced, healthy, and resilient young people and this requires a supportive partnership and ongoing communication between students, parents, and the school.

School and Home communication is an important factor in student achievement. Parents can use Renweb to see the achievement levels of your child. Kindly note that the mark on Renweb represents the students collective grades till moment and that it changes with each new entry. We also request that you maintain regular contact with the school either with individual teachers, the social worker or the principal.

ACTIVITIES CONDUCTED IN NOVEMBER:

CAREER GUIDANCE WORKSHOPS: Course Selection Workshop: CBS arranged a course selection workshop for G10 parents and students on Nov. 29th. It included everything related to subject choice and university requirements.

Representatives from MOHE explained all about internal and external scholarships to G12

StellarTalks: CBS hosted the 4th StellarTalks event where students shared in a panel discussion with the guest speaker Mrs. Sanaa Al Ghemlas CEO and Founder of Omneya recycling initiative. The topic was "Together for a more sustainable Future". You can watch the event on our YouTube channel!

International day: Students enjoyed the diversity of cultures presented by different classes in the international day celebration on 23rd of November.

Field Trips: All grades had their local field trips planned during the month of November

Inter-school Sports Competitions: Our MS and HS teams have shared in soccer, volleyball, and basketball competitions. Our students played well, showed great sportsmanship and represented the school well. They also got third and fourth positions in several games. Congratulations to our team.

Our MS and HS boys and Girls teams in both basketball and football have been sharing in friendly matches with Resala Bilingual school and American School of Kuwait.

UPCOMING EVENTS IN DECEMBER:

University Fair: On December 6th, Canadian Bilingual school is hosting an international university fair by MEC group. G12 students will have the chance to ask questions about admission requirement and available professions in different countries.

Alumni Reunion: CBS takes pride in its graduates, thus students who graduated from CBS class 2015 and after are invited for the 5th Alumni Reunion on the evening of December 20th.

Value of the Month: Global Citizenship
