### Message from the Owner

I am very pleased with the growth and success of GIS. The management and staff have done an excellent job of steering the school to a higher level of achievement. It is my sincere wish that GIS continues to aim high and reach the goals it sets.

I am also happy to announce that we are changing the name of our school from "Gulf International School" to "Canadian Bilingual School" from the academic year beginning in September 2009. This better reflects the curriculum we are following in the school and our desire to offer a stronger Arabic foundation.

I am thankful and grateful to our parents for their support and participation in the continuing education of their children. The yearbook is a culmination of the hard work and fun times of the staff and students of GIS.

Razan Hamad Al Hamad

رسالة من صاحبة المدرسة:

يسعدني ما تم من نجاح و تطور لمدرسة الخليج الدولية، فقد قامت الإدارة و طاقم المدرسين بعمل رائع في قيادة المدرسة لأعلى مستوى من الإنجازات، و أود أن أعبر عن أمنياتي الصادقة في استمرارية مدرسة الخليج حتى تصل لأهدافها العالية.

يسعدني أيضا أن أعلن بأنه سيتم تغيير اسم المدرسة من "مدرسة الخليج الدولية" إلى "المدرسة الكندية ثنائية اللغة" بداية من العام الدراسي الجديد في سبتمبر 2009. هذا الإسم ينعكس على المنهج التي تتبعه مدرستنا و عن رغبتنا في السعى وراء تأسيس قوي في اللغة العربية.

أود أن أعبر عن إمتناني لأولياء أمورنا الكرام لدعمهم و مساهمتهم في إستمرارية تعليم أولادهم، فإن الكتاب السنوي هو عبارة عن نتويج للعمل الدؤوب و الأوقات المرححة لكل من المدرسين و الطلاب في مدرسة الخليج الدولية.  
رزان حمد الحمد

### Gulf International School Directors

Mr.K.O.Mathew

"It is with great happiness and pride that I say that we have completed a second successful year in GIS. There has been growth in numerous areas- student numbers, improvements in learning, greater social development and increased participation of parents in school activities. Our teachers have done an excellent job of bringing out the best in their students as well as themselves. The success of the National and International Days is evidence of this.

A special thanks to Mr. Maurice for his exemplary leadership. This year's Year Book has a remarkable collection of photographs of GIS events, thanks to the diligence of Mr. Gordon. GIS is where it is thanks to all its people- students, staff, parents, management and supporters. Kudos to everyone!

I hope that we can continue to improve our standards in education and give back to Kuwait, it's young people equipped with knowledge, a caring and tolerant attitude and leadership skills that will instill in them the need to make a difference.

### Gulf International School Principal

Mr. Maurice Gareau

You expect that in reading the Principal's address that he will say all kinds of wonderful and fantastic things about the school, the staff, the students, and the parents. Well! You're about to find out by leafing through this yearbook, that the staff, the students, and the parents have truly become a family in Education and, yes, they are fantastic.

Look at, not only the smiling faces, but also look deep into the eyes of all and see a true joy. A true happiness in being at Gulf International School. Those who do not hold that sparkle in their eye, are probably thinking and mentally planning their next move to a step close to true happiness. Are you getting all this? Overall, this year, considering the few hurdles, we've had a successful year at this Canadian bilingual school.

Share your yearbook with your friends and family! Show off the great accomplishments and experiences of your world's great treasures.. your children!

Maurice Gareau  
Principal

**Gulf International School Vice Principal**

**Ms.Shelley Beutler**

As the Vice-Principal of Gulf International School , I feel lucky to be a part of a dynamic team of classroom teachers, specialist teachers, support staff and administrative staff whose aim is to give students the tools and opportunities to think critically, act with integrity, and strive for excellence. Working closely with the GIS community is a pleasure.

This yearbook is a wonderful example of our efforts toward making our school into one of the best. We have very dedicated teaching staff who works very hard to educate your children. We are constantly engaged in trying to better our school through curriculum revision, staff development programs after-school activities and professional in-services. We are also dedicated to the academic, social, emotional and physical development of your children.

All of these combined areas and the continued efforts toward improvement, make me proud to be a member of the GIS family. It is amazing to watch our students grow both academically and emotionally. It has been a most rewarding year at our fine school and I am looking forward to another year of working as a partner with you in your child's education.

Shelley Beutler  
Vice Principal

**President of P.T.A. (Parent Teacher Association)**

Being a PTA member arms you with the opportunity to be informed, involved and educated in your child's school and activities. As your PTA President, I would like to take this time to thank every one of you for all you do for our students and our wonderful school, and I hope you all have a wonderful holiday season.

Sincerely,  
Dr. Thalaya Al-Fozan  
PTA President

**Gulf International School Staff**

**Pre-K**

What a year! I was very pleased to teach the wonderful pre-k group. They are so sweet and innocent. It's amazing how they couldn't communicate at all at the beginning of the year, but cried. I am very proud that all of them now can understand English and even sometimes express themselves clearly. It has certainly been a successful year for me. I did not just teach them but I have also learned a lot from them!! I love you all Pre-K and will never forget your angel faces and beautiful smiles. I will miss you a lot.

Ms. Leena

**KG-1A**

Teaching the little children and playing with them was a learning process as we sought to reach the little minds to higher level of knowledge and skills.

I have given my little ones the knowledge to understand how to deal with their surroundings, and the skills to know how ask, think, express and solve problems.

Hopefully my bright little ones will remember their first teacher and that their first learning will reflect best on their life and their following school years. I really had fun with them during this year.

Ms.Halah Salameh  
Ms.Sahar

KG-1B

It was just like yesterday, I remember our journey started with fear and tear but by the time we learned how to share, play care, and write our names. Today I can see confident and independent children leaving us. Although I am happy to see them taking the next step but I know am going to miss them. Best wishes and good luck in the future.

Ms. Mahbouba  
Ms. Lavina  
Ms. Farida

KG-2

It was a joy teaching little angles at KG-2! I loved singing, dancing and playing with you. I will miss your twinkle eyes, smiles, small sticker gifts and most of all; your hugs and love. I wish you all very successful years ahead. Best of luck! Have a Great summer everyone!

Ms. Nasira  
Ms. Amira  
Ms. Tasneem

Grade-1E

"Education is not filling a bucket but lighting a fire." - William B. Yeats  
This has been a wonderful and rewarding year for all of us in grade 1E. It's hard to believe how quickly ten months have gone by, and I am a little sad that it's over so soon! It has been my pleasure to work with such a tremendous and thoughtful bunch of students. We have had an amazing year full of songs, games, laughter and lots of new learning. Thank you grade one for all the laughter and good memories. I will always remember my time at Gulf International School and I wish the best of luck to all my wonderful students!

Ms. Erin  
Ms. Alaa

Grade-1S

Grade one had a wonderful and successful year! I am very proud of each and every child in the class. Some children did not understand English at all in September, but there are many readers in my class now. I am very pleased that these children are now able to read, and that they enjoy books and reading so much! This is wonderful to see. This year, we went on some fun field trips. We went to the KDD ice cream factory, to the see a puppet show, to the Aquarium at Scientific Center and saw an Imax movie as well, and to Magic Planet to go bowling. We also had an aviation presentation and got to see a model plane and helicopter. We participated in many different "Color Days" and some fun dress up days such as hat day, crazy hair day and pajama day. The children really enjoyed theses "Spirit Days". We had several awards assemblies and many children received awards for citizenship, math, music, Arabic and language arts. Good job grade one! I will miss the children over the summer, but look forward to seeing them again next year when they come back to GIS to enter grade two! Have a great summer everyone!

Ms. Shelley, Vice Principal  
Ms. Nada

Grade-2D

This year has been my pleasure to be the teacher with the Grade Two team. Our grade 2D is a class is filled with enthusiasm and energy. The boys are fun loving, artistic, eager to learn and extremely sociable group of energetic students. Grade 2 students have had an exciting 2008 – 2009 school year adapting to changes at the beginning. Grade 2 D boys have many varied abilities, interests and skills. They have much to offer and are on their way to becoming "Lifelong learners." Have a great summer vacation!!!

Mrs. Deirdre Range  
Ms. Nasreen

### Grade-2M

I would like to congratulate all the Grades 2's officially and thank all the Teaching staff warmly for their support throughout the year. In Grade 2 we have shared smiles, and we have helped through tears. We have learnt how to help each other and work better as a team. We believe in choosing to make better and eventually good choices in every part of our lives. We are starting to believe in ourselves and what we are capable of doing. We will always remember the making of our Habitats in Science. It's amazing what working together can achieve! These types of lessons and learning makes the possibilities for our future so Bright we have to wear shades!

"Education is the key to unlock the golden door of freedom."

George Washington Carver

Ms. Melissa  
Ms. Nasreen

### Grade 3

When people ask me what I will miss the most about my grade three class, I will tell them I'll miss all the little things my students do to bring a smile to my face every day. I will miss my morning visitors; Khaled M. and Khaled A. who come for a chat and ask a million questions and Rashed who tries his best to scare me out of my seat. I will miss Abdulla and Salman's energy that keeps me on my toes. I will miss Nasser who likes to help out and listens better when I call him Mr. Nasser and Fhaid who comes to school with a smile every day. I don't know what I will do without Faisal who has a sound effect for every word he does not know, Abdul Latif who has a dance for every type of mood he's in and Mohammed's giggle when he hides behind me at recess time. Last but never least there is Hessa, who is quiet and patient until she gets me alone and then she talks my ear off ☺

Grade 3's you should be proud of yourselves! You have worked very hard this year. I wish you all the best next year.

Ms. Tanya

### Grade 4

What an amazing year this has been for the Grade 4 students! And they have so much to be proud of. Academically, the students worked hard with enthusiasm and determination to reach a number of important learning milestones. They are also to be congratulated for successfully staging the play, 'Johnny Appleseed' for the school and parents; they went on a number of exciting fieldtrips; raised environmental awareness by cleaning up the beach and had a lot of fun in the process. And who could forget Sports Day and all the crazy theme days we had. This year has certainly been filled with fond memories and I will always remember all the sparkling little personalities in my class.

Mr. Gordy

### Grade 5

**I will always remember...**

**M**eaningful lessons we learned about respecting others.  
**S**ilent reading.

**K**nowing when it was time to listen and time to learn.  
**R**emembering to bring your homework to school!!!  
**I**ce cream at the gate at the end of the day.  
**S**erious conversations we learned from.  
**T**wi – learning the language they speak in Ghana, Yenko!  
**E**ntertaining – GIS choir, Ghana dancing, Arabic dancing, drama  
**N**umerous visits by Mr. Maurice.  
**'S**occer fanatics!

**G**enerous students who were always willing to help out.  
**R**adiant smiles that shone throughout my classroom.  
**A**stounding progress throughout the whole year, in all subjects.  
**D**elightful boys that loved to have fun.  
**E N E R G E T I C !**  
**5 x 3** reasons why they were a fantastic class!!

### Grade 6

Richard

One of Mr. Richard's favorite Arab proverbs:

"If the diver always thinks about the shark, he/she will never find the pearl".

Just like the diver who eventually finds the pearl, and is able to take risks- It's good to see that everyone in Grade 6 are eager learners, brave enough to take on any challenge. Your equipment has also been upgraded, so next year you should be able to dive deeper and longer!

Thoughts for next year- Continue to believe in yourself, and you will ride out any storm.

Look out for the sharks, but don't show irrational fear,  
Don't listen to the crowds,  
...find your inner voice.

Good luck in Grade 7,  
Mr. Richard (Grade 6).

### Computers

Teaching Computers at GIS has been great fun and wonderful experience for me, by this time I love my students who possess a great potential and learning Zeal for Computers. It was as challenging for me as for them to adapt to a different atmosphere and give the best but we did it and now I can proudly say my students possess basic computer knowledge and also will be ready to take up more challenging projects in coming years *Inshallah*.

Ms. Saif

### Library

It was the first year for me here as the librarian of Gulf International School. I worked hard to increase the student's reading ability, and I had some dynamic and engaging special events in the library such as young authors and young illustrators, celebrating Dr. Seuss week and the reading week. Some of the highlights of the festival included reading buddies, dressing up as the student's favorite character from a book, the poster contest, donating books, assembly presentations and a book fair with a good selection educational book publishers. It was great teaching the students we have here at GIS. I will always remember them. I am looking forward seeing everyone next academic year!

Ms. Manal

### Music

To my magnificent musical students, it has been an exciting year! ☺ We had lots of fun, spent a wonderful time together, composed our special music and songs. I'm really proud of you, don't forget Ms. Miriam and remember: If you can talk, you can sing, if you can walk you can dance.

Ms Miriam

### Physical Education

It has been a great pleasure to have had the opportunity to work in this cute school with such a tremendous group of students these last 3 months. I would like to congratulate all of each of them for what they have accomplished. Hopefully one day some will be big famous champions especially in soccer. ☺
