Message from the Chairman

On behalf of the Board of Directors, I am very delighted to see the development and progress that the Canadian Bilingual School (CBS) has made, very rapidly, over the years since its establishment.

It has been another fruitful year of learning and growing for CBS students. Children spend most of their days at school; it is the place where they learn, not only about history and science, but learn how to respect others, how to get along with their peers and how to enjoy themselves. Learning in school is not only on an academic level, it is also on social, physical and emotional levels. You have worked hard and achieved much; your families and school are very proud of you.

This journey also requires the support of a strong family. That is why we at CBS partner with parents in an effort to build the future generations of tomorrow. So, I take this opportunity to thank our students' parents for their unwavering commitment in making this a reality.

We have had a lot of events which have shed light on the varied talents of our students. International Day clearly showcased some of these talents with all the country-specific research, arts and crafts made and dances performed. Our most extensive program outreach, which started last year, is the partnership with the Scholastic Book Clubs and Book Fairs, for which I must thank our teachers for encouraging literacy in classrooms. More events of a similar nature are planned for next year to inspire our students to reach for their dreams and do what they love.

The year flew by; and what is left is wonderful memories of fun-filled learning experiences not only for the students, but for us as well. Programs have already been created in the Math and English departments to strengthen student achievement. And with each passing year, higher goals are set and we all work together to strive to achieve them; teachers do an excellent job of working with our students to bring out the best in them; administrative staff and management support the academic team to ensure that nothing interferes with student learning; and parents do what they do best – be parents.

I look forward to seeing most of our students return to CBS in September. I leave you with a gentle reminder: continue to be a source of happiness and a positive influence on others, and on yourselves, as you travel around the world this summer.

Sincerely,

Mr. Hamad Al Hamad
Chairman

كلمة رئيس مجلس الإدارة

بالنيابة عن مجلس الإدارة، أود أن أعبر عن سروري لرؤية التطور السريع الذي شهدته المدرسة الكندية ثنائية اللغة منذ تأسيسها خلال السنوات الماضية.

لقد كانت هذه السنة سنة نجاح أخرى من التعلم والنمو لطلبة المدرسة الكندية ثنائية اللغة. الأطفال يقضون معظم أيامهم في المدرسة، وهي المكان الذي لا يتعلمون فيه فقط مواد التاريخ والعلوم، بل يتعلمون أيضا كيف يحترمون بعضهم، كيف يتعاملون مع زملائهم وكيف يمتعون أنفسهم. التعلم في المدرسة لا يكون على المستوى الأكاديمي فقط ولكن على المستويات الاجتماعية والبدنية والعاطفية. لقد عملتم بجد وحققتم الكثير، وجعلتم عائلاتكم والمدرسة فخورين جدا بكم.

هذه الرحلة تتطلب الدعم القوي من العائلة. لذلك فإننا في المدرسة الكندية ثنائية اللغة نكون شركاء مع أولياء الأمور في بذل الجهد لبناء جيل المستقبل للغد القادم. لذا فإنني أنتهز هذه الفرصة لأشكر أولياء أمور طلابنا لالتزامهم الثابت لجعل هذا التطور حقيقة ملموسة. لقد كان لدينا العديد من الأحداث التي سلطت الضوء على المواهب المتنوعة لطلابنا. لقد كشف اليوم العالمي بشكل جلي بعضا من هذه المواهب مع كافة البحوث المخصصة عن كل بلد و الفنون والحرف و أداء الرقصات. برنامجنا المكثف والمميز، والذي كنا قد بدأنا به العام الماضي، وهو اشتراكنا مع نادي الكتاب التعليمي ومعارض الكتاب، والذي من أجله أعبر عن شكري للمدرسين على تشجيعهم للتعلم في داخل الفصل الدراسي. لقد تم التخطيط للمزيد من الأحداث ذات السمة التربوية للعام القادم لتلهم طلابنا من أجل الوصول لأحلامهم وتحقيق ما يودون فعله.

لقد انتهت السنة بسرعة خاطفة و تركت لنا ذكريات جميلة عن خبرات التعلم المملوءة بالمرح ليس فقط للطلاب، ولكن لنا أيضا. لقد تم إحداث برامج لتقوية إنجازات الطلاب في أقسام الرياضيات واللغة الإنجليزية. ومع مرور كل سنة، نقوم بتحديد أهداف أعلى ونبذل أقصى مجهود لتحقيقها، المدرسون يقومون بأداء ممتاز بالعمل مع الطلبة لاستخراج أفضل ما لديهم، بينما يقوم الطاقم الإداري وهيئة الإدارة بدعم الفريق الأكاديمي لضمان عدم وجود ما يعكر تعلم الطلاب، وأولياء الأمور يقومون بأفضل ما يمكنهم فعله وهو أن يكونوا آباء و أمهات.

إنني أتطلع إلى عودة غالبية الطلبة للمدرسة الكندية ثنائية اللغة في شهر سبتمبر. أترككم مع تذكير لطيف: أن تستمروا لتكونوا مصدر للسعادة و التأثير الإيجابي على الآخرين و على أنفسكم في أثناء سفركم حول العالم خلال هذا الصيف.

والله ولي التوفيق.

Director

Another year has gone by so quickly with a lot of growth and change. The school year began very smoothly with the extensive support and leadership of our new Principal, Mr. Shawn Hocking and the able team work of the Vice Principal Mrs. Green and the staff of CBS.

Over the past year we have effectively implemented an ESL program that has markedly raised the spoken and written skills of students in English. Preparatory courses in English for new students joining us in the next academic year will be available over the summer. As planned we have also successfully implemented the school ERP program along with better e-learning resources. This will not only give us the ability to track student academic growth but also give us a platform for better communication with parents and implementation of new and better educational programs.

In the next academic year, we are looking to start a Math intervention program geared to develop general Mathematics skills of students.

I wish to thank all our teachers for their hard work and commitment to improving the levels of our students. A special thank you to Ms. Melissa -- who has been a dedicated and remarkable teacher. I wish her the very best as she returns to her home country.

The school year was filled with a lot of interesting celebrations and educational events such as International Day, Literacy week, Student-led conferences, KG graduation and the wonderful end of year concert. These activities help to make well-rounded individuals where academics, physical and social development go hand in hand.

Overall, the year has produced some very pleasing results. I appreciate the efforts of the administrative and management team that has worked quietly in the background to support the school in ensuring a smooth and successful year.

Look forward to seeing all our students back next year, fresh and ready to face the promise of another eventful year. Have a safe and enjoyable summer everyone!

Best regards,

K.O. Mathew

Words from the Administration: Mr. Hocking and Mrs. Green

Dear Students and Families,

The 2010-2011 school year has flown by with lots of learning, lots of fun, and lots of friends! It has been a year that has reminded us that "We are the World".

Congratulations and thank you to Ms. Deena Henaway and Ms. Angie McMillen for spending so much time editing and designing this excellent yearbook. It will be a keepsake all our lives. As you turn the pages of this book, you will be reminded of our exciting year at CBS.

As students, you should be proud of all your accomplishments, as you continue to "Be Respectful, Be Safe, and be Your Best!" You have all taken initiative and responsibility for your own learning, as was demonstrated during our first Student Led Conferences, as well as through the numerous student-led initiatives that took place throughout the year.

Our Student Council led us in collecting plastic bags to raise money for those who are less fortunate, organized events that enabled us to purchase playground equipment, and promoted our Spirit Days such as Pajama Day, Super Hero Day and Crazy Hair Day, to name a few.

During Sports Day, many of our Grade 7 and 8 students took on leadership roles by running events for our younger students, while teachers from all grade levels took the students from event to event.

Who can forget Young Author's Day? This was an opportunity for us to share our stories with students in other grades. We worked hard on our writing and learned so much about the writing process.

Our year was full of successes that we can all be proud of. Our Junior Soccer Team represented CBS in several competitions with other schools, Grade 7 students participated in the Kuwait Science Fair, while many other students demonstrated their artistic talents to the rest of our community through performances at our Spring Concert, National Day and Award Assembly Celebrations. What a pleasure to be here at CBS during the 50th National Day in Kuwait!

Our school community came together once again for the 4th annual International Day. Students, teachers and parents were able to take advantage of the variety of learning experiences that involved all members of the CBS community. Students presented their research about various countries with their peers and parents during classroom visits. This showcased the similarities and differences among cultures that make us unique. In addition to sampling ethnic foods, watching performances and participating in cultural activities, winners of the writing contest shared their words regarding how "We are the World".

Yes, we have had a wonderful year with much to celebrate and much to be proud of! We are truly becoming a global community and we are proud of all our students, staff and teachers who contribute to making CBS a school where we "Bring Talent to Life"!

Have a wonderful summer! Don't forget to explore your surroundings, keep your mind sharp and ask good questions. We can't wait to see you again next school year!

Fondly,

Shawn Hocking
