### Dear Family of CBS:

I am pleased to see our students all working steadily and improving in their academic performances. It is also a pleasure to see excellent participation in various activities in school and after school. There have been some outstanding performances, art displays and beautiful write-ups. Keep up the good work! The academic year 2014-15 has been very busy with a lot of interesting activities and developments.

CBS has received full MSA accreditation. We thank you parents for your participation as your inputs play a vital role in improving the school. I trust that we will have your continued support as we continue this process.

A large part of CBS, success is the able academic leadership and strong administrative support. I thank you for your commitment and effort. To the teachers in particular, each one of you has played an essential role in bringing your students to the points they have reached in their journey of growth. Thank you for your dedication and perseverance.

As you prepare for the summer vacation, I wish you all a safe and enjoyable couple of months. Students, please remember to spend at least half an hour reading a book of your choice every day. I look forward to seeing you all return, charged and happy to handle another year of learning.

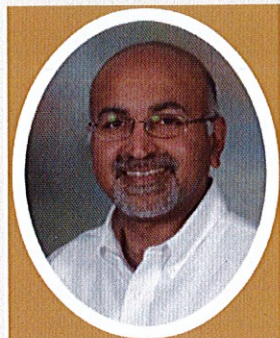

Best regards

Mr. Hamad Mejrjn Al Hamad  
Chairman

## A Message from K. O. Mathew

### Greetings to the students, staff and parents of CBS!

This is the first year of our grade 12 students graduating from Canadian Bilingual School. It is a matter of great pride for us to see our first batch of CBS grade 12 graduates ready to leave the portals of our school. They have worked hard over the years to reach the point where they are stepping forward into the realm of higher education so that they can pursue their ambitions and career pathways. We are pleased to announce that our students have also started getting their acceptances to universities around the world. For the graduating class of 2015, please remember that it is a positive mindset and a habit of learning that will prepare you for the challenges ahead. May you all be successful in your personal growth and contribute to the future progress of Kuwait.

From the very beginning our ethos has been one of constant improvement and in keeping with this we have effectively implemented the school integrated software called RenWeb which provides a school-wide platform of posting and sharing data. In order to facilitate student information being readily available to parents, the RenWeb Home App has also been implemented in high school and certain grades in elementary. I would encourage more parents to subscribe to this next year so that you can keep up-to-date with your child's learning developments and support them appropriately at home. We have also implemented MS SharePoint for all the business office and teaching staff.

This year we have continued to work on the MSA monitoring issues and the three objectives of: Reading for Pleasure, Healthy Living and Anti Bullying. As the summer holidays are fast approaching I will remind students to please continue reading so that you expand your vocabulary and keep up with all the latest that is going on in the world. As part of adopting a healthy lifestyle I encourage our students to opt for wholesome and nutritionally beneficial foods and include daily exercise into your day to ensure that you lead a healthy lifestyle. I am pleased to see our students understand the anti-bullying initiative and learn to respect their fellow students. Besides this our high school students have also shown a lot of caring and leadership qualities while supporting younger students with reading, Sports Day and proofing of written work of the younger students.

It is the concerted effort of our administrators and teachers who are devoted to imparting knowledge and building caring individuals that makes CBS so special. CBS has a team of very committed professionals who plan and practice teaching based on meeting the learning needs of our students. I thank each of you for your positive energy, enthusiasm and dedication. I thank the yearbook committee for the excellent compilation of this year's highlights.

Have an enjoyable, healthy and safe summer.  
Yours Sincerely,

K. O. Mathew  
Director

Dear CBS Community,

It is hard to believe that another fantastic year at CBS has finished. This year was incredible at Canadian Bilingual School as we continue in our many areas of academic improvements. This year I have been joined by my new Vice Principal, Ms. Nouha and Ms. Hadia as our new Pre-K to SK Coordinator. Together we have watched our students continue to grow academically and also take on many leadership roles through our special events.

As students, you should be proud of all your accomplishments, as you continue to "Be Respectful, Be Safe, and be Your Best!" You have all taken initiative and responsibility for your own learning, as was demonstrated during Student Led Conferences, as well as through the numerous student-led initiatives that took place throughout the year.

Our Student Council has been very active this year. They organized events that enabled us to purchase playground equipment and organized our first "Walk for cure" for cancer research. They promoted Spirit Days such as Pajama Day, Bake sales, Hot chocolate day, Crazy Hair Day, Healthy living day and Costume day to name a few, and organized a Talent Show and other events that encouraged student involvement.

Our year was full of successes that we can all be proud of. Our elementary soccer and basketball teams have earned credits for CBS in several competitions with other schools, while many other students demonstrated their artistic talents to the rest of our community through performances at our Spring Concert, National Day, Art Competitions and Award Assembly Celebrations.

Our school community came together once again for the 6<sup>th</sup> annual International Week where students were able to take advantage of the variety of learning experiences. Students presented their research about various countries with their peers during classroom visits and participated in a mini Olympics. Students also presented their interpretation of traditional Kuwaiti music and dances during our 52<sup>nd</sup> National Day celebration.

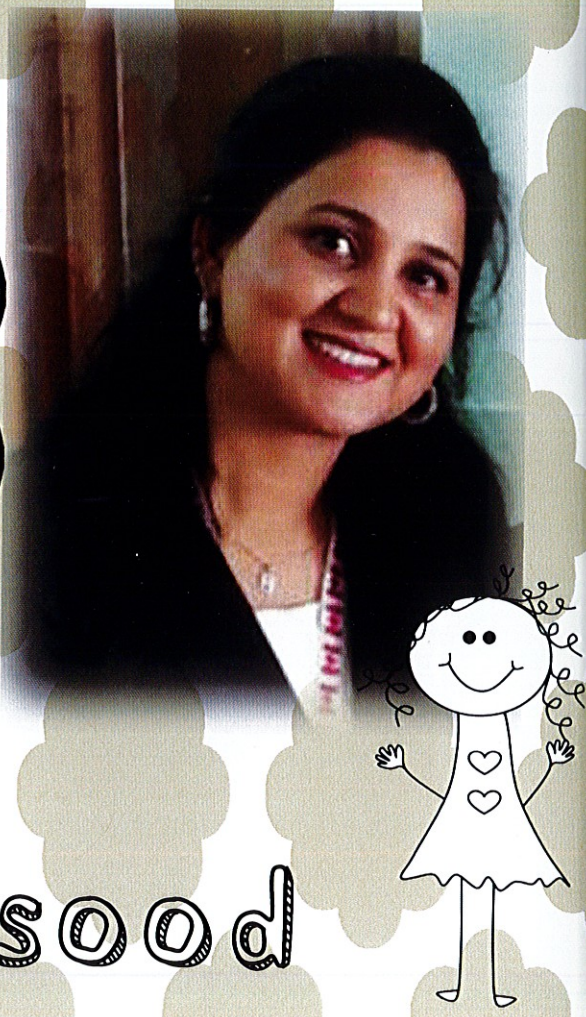

Yes, we have had a wonderful year with much to celebrate and much to be proud of! We are proud of all our students, staff, parents and teachers who contribute to making CBS a school where we "Bring Talent to Life!"

Stay safe and have a wonderful summer!

Dr. Monica Francis  
Elementary Principal

## Ms. Hadia Masood

Dear CBS Family,

It seems as though this school year has just begun and yet, once again, we find ourselves at the end. How quickly time flies!

I would like to take this opportunity to thank the students, staff, volunteers and the school's management for their many contributions this year.

I would also like to thank all the parents that were involved in supporting their children's education in various ways. Working together makes a big difference in the success of your child.

The support, encouragement and efforts of all individuals have provided the students with excellent learning opportunities and the students have met the challenges. Students have excelled in many areas, both within the school and beyond, and we are very proud of them.

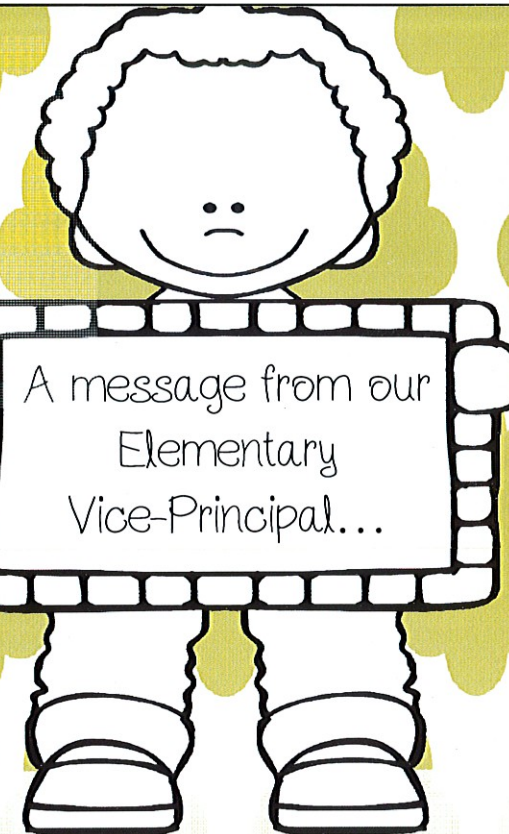

In this yearbook you will find the memories that we all have cherished as a school community.

Finally, I wish you all a restful summer and look forward to seeing you all next year!

Best Wishes,

Ms. Hadia Masood  
Kindergarten Coordinator

## Ms. Nouha Jamali

Dear CBS Community,

I feel honoured to be part of the CBS family and serve in my role as a Vice Principal. I am here to support the students, teachers and the school community. I have served in many roles throughout my educational career. I have been a classroom teacher, ESL instructor, and vice principal both in the private and public system for over 32 years.

As a Vice Principal, my role is to focus on all students achieving educational excellence through Ontario curriculum and building a respectful atmosphere. It is my belief that in order to educate our students, it takes a community with a strong desire to achieve. Learning is central to everything we do in life. According to Brian Tracy, "Those people who develop the ability to continuously acquire new and better forms of knowledge that they can apply to their work and to their lives, will be the movers and shakers in our society for the indefinite future."

As staff, we continuously seek to improve our practice and support students in the best ways possible. Our students are challenged to reach their potential and soar high in their achievement. Our teachers, administrators and staff are committed to the success of all of our students.

The school year is almost at an end and it was full of learning opportunities, fun experiences, and great moments. I am very proud of the contributions and hard work from the students and staff! I enjoyed being part of the school activities and celebrations. We will all remember the diligent efforts of CBS students and teachers preparing for our monthly Character Trait assemblies. I was thrilled to see our students celebrating various festivities such as: Kuwait National Day, Islamic occasions, Sports Day, Healthy Living Day, Young Author's Day and many more. It was wonderful to see students and staff genuinely and whole heartedly enjoying these celebrations as whole community.

I want CBS students to remember that honesty, hard work, friendship, sensitivity and respect for themselves and others are not just words, but rather personal goals for a lifetime as productive citizens. I wish them all the best to achieve their goals successfully!

Sincerely,  
Nouha Jamali  
Elementary Vice Principal

*"We are what we repeatedly do. Excellence, then, is not an act, but a habit. (Will Durant, paraphrasing Aristotle) The Story of Philosophy: The Lives and Opinions of the World's Greatest Philosophers (1926) [Simon & Schuster/Pocket Books, 1991*

CBS is proud of its continued growth and commitment to its students so it gives us great pleasure to celebrate our first grade 12 graduating class. We wish them success as they move forward in their lives and become responsible, knowledgeable and skilled 21<sup>st</sup> century global citizens.

Healthy Living and Choices was a school wide theme this year. Healthier food choices in the canteen and student participation in an interactive Health and Nutrition Day Fair were some of the highlights we will share with you in these pages.

The CBS community is a generous one and the humanitarian spirit of the Emir was exemplified in the Gainline Africa fundraising project and the Walk for the Cure.

Opportunities for CBS students to practice the habit of excellence are captured in the pictures and words of this yearbook. With the support of the community, CBS will continue to offer many more such experiences.

## Mr. Tariq Younas

As Vice-Principal of the CBS High School, it gives me great pleasure to have joined CBS this year.

Both students and staff have positively contributed to make 2013-2014 a great year for CBS. It may conceivably have been the best year we have had so far. We had innumerable days to celebrate; from the school-wide energetic Sports Days, tasty bake sales, the promotion of Healthy Eating and the exciting Spain excursion.

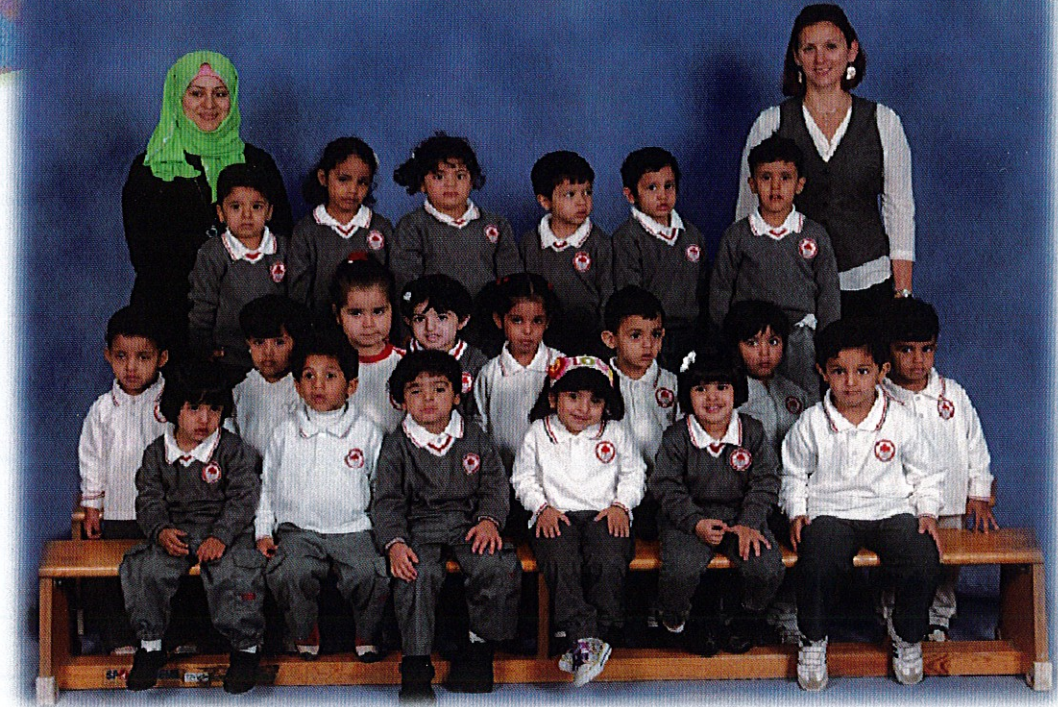

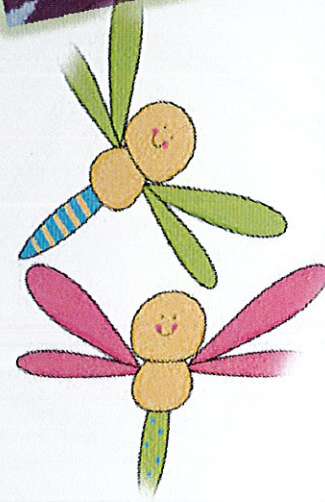

The CBS Talent show was perhaps the most entertaining and amusing experience. It showed the many closeted talents of our students, furnishing them with a stage and audience to experiment and experience the excitement of doing something divergent!

I anticipate our CBS students will unremittingly aspire for greatness and inspire those around them, which to conclude, reminds why we are all here:

*"If you are planning for a year, sow rice; if you are planning for a decade, plant trees; if you are planning for a lifetime, get educated."*
